

GOPINATH R

Junior Cyber Security Analyst

Coimbatore, Tamil Nadu | +91 7871327474 | gopigopigsr@gmail.com

PROFESSIONAL SUMMARY

I'm a cyber security student with two years of intensive study and hands-on experience, I possess a solid foundation in analytical skills and technical proficiency with various cyber security tools and technologies. My specialization is particularly strong in information gathering and network scanning, where I excel at uncovering vulnerabilities and identifying potential threats. I am confident that my skills, dedication, and passion make me an ideal candidate for an beginner-level position in cyber security.

EDUCATION

RATHINAM COLLEGE OF ARTS AND SCIENCE, COIMBATORE

Bachelor of Science in Computer Science with Cyber Security - CGPA : 7.61%

Skills: Crunch, Burp Suite, Cisco packet tracer, Steganography, Linux OS, Wireshark, NMAP scanning.

RAM JEYAM VIDHYAA MANDIR HIGHER SECONDARY SCHOOL, THENI

HSC- 79.5%

SSLC-87%

CERTIFICATIONS

Ethical hacking with bug Hunting -Jan 2024

INTERNSHIP

Hands on cyber security - Cyfotok Infosec LLP (Dec 2023)

Role: Apprenticeship

Assisted in performing vulnerability assessments and penetration tests using tools such as Nessus and Burp Suite, which contributed to enhanced system security. Monitored network traffic with Wireshark, identified anomalies, and supported incident response efforts, thereby improving the overall security posture.

Networking cyber security – Teplar solution (Jun 2023)

Role: Contributor

Assisted in configuring and managing network security devices, including firewalls. Analysed network traffic patterns and responded to security alerts, enhancing overall network protection and incident response .

SKILLS

Networking, Ethical Hacking, Cryptography basics, Python,HTML, Operating System knowledge(OS).
